\*Age attained during 2011

### Subscription Notes:

- **Current members:** Please note that subscription fees are due on the 1st March. These should be made promptly to avoid embarrassing situations, which may arise if you were refused the use of Club facilities. **Payments may be made using up to 6 post-dated monthly cheques.** The first cheque must be dated on or before 1<sup>st</sup> March and the last cheque must be dated no later than 1<sup>st</sup> June. However, all payments must be received by the 1<sup>st</sup> March and note that Rack Fees must be paid in January. Make all cheques payable to Ironbridge Rowing Club.
- **New members:** £15 is payable initially and the balance is due after 1 month. New members subscriptions will be charged pro-rata based on the month that they join. New member's subscriptions may be paid by instalments if agreed with the Membership Secretary or Treasurer.

From 2009 each junior membership will include a single social membership for a parent/guardian (Rule 9.5)

A family discount of 15% is available where 2 adult rowing members and at least 1 junior member from within the same family join at the start of the year (Rule 9.4)

- The Club Rules and the BR Water Safety Code must be observed at all times. These are available to view at the Club and a copy may be downloaded from the Club website. You should ensure that you are familiar with these rules as failure to comply with them or with any request to do so by the Safety Advisor may ultimately result in expulsion from the Club. Nobody wants this, after all the rules are there for everyone's safety.

**Signed: Membership & Treasurer**
