

# Ironbridge Regatta 2024

Held on the River Severn downstream between Buildwas and Ironbridge and **run under the British Rowing Rules of Racing**. IRC reserve the right to amend the course distance if deemed necessary.

There is to be **no doubling up**, including coxes, boats or equipment sharing in any one division, non-compliance could lead to disqualification. We have a free start with staggered start and no staggered finish.

This year we **require any campers to book their pitch/club pitch** by completing the online form which can be found on the website.

All entries must be made using the BROE system, **£12 per seat** (excluding coxes).

Entries and payments **close at 9.00pm on Wednesday 19 June**. Entries must be paid in advance of the draw.

The draw will be made at the club on Sun 23 June and will be made available on the IRC website on Mon 24 June.

Where events have insufficient entries, the committee may move your entry to a higher age category (or to another event if specified by you), providing this does not create a clash of divisional entries. Please clearly state on your entry form if you are not prepared to move. The committee reserves the right to alter divisional entries if necessary and also refuse an entry without giving a reason. Please provide a mobile phone contact for someone who is available on the weekend of the draw as we may need to contact you.

Events will be split into bands if justified by the number of entries and/or range of points. Also note that Masters handicaps **will be** applied to Masters Events.

**Olympics 2024 Mx8+ Event**  
 Sunday Lunchtime  
**£100** prize money for the **winners** and Much Wenlock Olympic Society Medals  
 Crews must be made up of at least 50% women.
